EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

SPECIFICATION

In the amendment to the specification dated 3-12-04, line 3, "pending" was changed to –now U.S. Patent 6,753,761–.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The primary reason for allowing this application is the specific recitation in claim 11 of a power delivery circuit for delivering a combined power and data signal including a mixer circuit combining the power supply signal and the data signal to generate the combined power and data signal, and an indicator circuit providing an indication when the circuit is providing the combined power and data signal.

Claim 18 recites a power delivery circuit for delivering a combined power and data signal to a network device and includes a mixer circuit combining the power supply signal and the data signal to generate the combined power and data signal, a filter circuit separating the data signal from the combined power and data signal, and a high

frequency suppression circuit reducing electromagnetic interference from the combined power and data signal with the network device.

Claim 22 recites a power delivery circuit for delivering a combined power and data signal to a network device and includes a mixer circuit combining the power supply signal and the data signal to generate the combined power and data signal, a filter circuit coupled with the data/power input port and the network device, the filter circuit separating the data signal from the combined power and data signal, and a power regulation circuit coupled with the data/power input port and the network device, the power regulation circuit controlling a power supply voltage applied to the network device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
